

- Hands free & hygienic
- Water saving
- Infrared sensor
- Microcomputer control
- Automatic on/off switch
- 1 second delay timer
- Brass with chrome plate construction
- Non-adjustable for rate at 6.5L/min at 0.1Mpa
- Battery powered - uses 4 x AA batteries (not included)

WRAS: Any water fitting, which when installed, will carry or receive water from the public mains water supply in the UK, must comply with the Water Supply (Water Fittings) Regulations or Scottish Byelaws. These require that a water fitting should not cause waste, misuse, undue consumption or contamination of the water supply and must be 'of an appropriate quality and standard'.

*In accordance with our policy of continued development we reserve the right to alter design and specifications without prior notification*
